## **“Stay in Touch” Rental Program**

Radioworld offers you the widest selection of ways to stay in touch when you are away from traditional lines of communications (land based and cellular phone coverage) at very reasonable prices.

For those who cannot justify spending \$300 to \$400 for a “just in case” event while hunting, ATVing, snowmobiling or at a remote cottage for a week or two....

Radioworld has answered with their exclusive **“Stay in Touch”** Rental Program.

### **Globalstar Satellite Telephones –**

\$100 per week (first week) \$25 per week each subsequent week

All calls to and from Canada, USA and the Caribbean are local calls and included in the rental fee. Calls made outside of these areas are available however long distance rates will apply. Data cables for email access is also available for \$5.00 per week.

### **Spot Satellite Messenger -**

\$40 per week (first week) \$20 each subsequent week.

Unlimited messages, tracking and Insurance included.

### **McMurdo Fastfind 210 Personal Locator Beacon**

\$35 per week (first week) \$15 per week for each subsequent week

For those who do not wish to use the telephone or email and want a “One Button” solution to call for help in time of need....the McMurdo Fastfind 210 Personal Locator Beacon is the answer at prices that any excuse cannot be justified.
